Sub: **International O&M Conference, IPS 2019, 13th – 14th February, 2019, Raipur, Chattisgarh, India – Invitation of Papers.**

Dear Sir,

NTPC Ltd., a Maharatna Company, was set up in 1975, and its first unit was commissioned at Singrauli on 13th February, 1982. To commemorate this day, NTPC has been organizing an international O&M Conference every year from 13th February at New Delhi and Noida.

The conference aims to bring together power sector professionals, designers, equipment manufacturers, service providers, solutions providers, academicians and power plant engineers on a common platform, to discuss the challenges being faced by the power industry, besides sharing experiences on technological advancement, best practices and O&M issues of current importance.

The next edition of the conference, “**Indian Power Stations-2019**”, will be organized with the conference theme – “**Generating safe, reliable, eco-friendly flexible power : with state of the art technologies**”, from 13th to 14th February, 2019 at Pandit Deen Dayal Upadhyay Auditorium, Raipur, Chattisgarh, India.

Day 1(13th Feb, 2019) - Inauguration of Conference and Exhibition followed by Technical Sessions as well as interactions with Vendors in Exhibition Stalls

**Day 2(14th Feb, 2019) - Technical Sessions as well as interactions with Vendors in Exhibition Stalls
Concluding Session**

Full length papers, in English on any of the suggested topics, as enclosed in Annexure-I, are hereby invited from the prospective authors / technocrats / power sector experts / manufacturing specialists / academicians, policy makers , Regulators and various other stake holders for presentation in the O&M conference. Guidelines for submitting papers and contact details of the coordinating officers are available on webpage ‘www.indianpowerstations.org’ under Tab “**Guidelines for Authors**”.

You are requested to forward your technical papers from your organization / Utility / power station / institute, etc. **latest by 31.12.2018.**

Kind regards,

Yours sincerely,

(CV Anand)
