

NTPC was set up by Govt. of India in 1975 and presently has an installed capacity of 54 GW.

NTPC organizes an International O&M Conference(IPS) every year with a special theme related to Indian Power Sector. The Conference aims at bringing together Power sector professionals, policy makers, designers and manufacturers on common platform to discuss various issues and share strategies taken by different players. And also, under the ambit of the said Conference, NTPC has been providing an opportunity, to interested vendors of power sector, to showcase new products and innovations to power sector professionals attending the said Conference by arranging for an Exhibition(TECHNO GALAXY) at the venue of the said conference concurrently.

In line with above, International O&M Conference is being held by NTPC on **13th & 14th Feb 2019** at **Deendayal Upadhyaya Auditorium, Raipur, Chattisgarh, India.**

Theme of the Conference : **Generating safe, reliable, eco-friendly flexible power: with state of the art technologies.**

And also, Exhibition titled **Techno-Galaxy** shall be held **at the Conference venue**, on the sidelines of the O&M Conference.
